

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

ROBERT SCOTT INGRAM,

Petitioner.

CASE NO. C19-1981-TSZ-MAT

V.

DONALD HOLBROOK,

Respondent.

ORDER TO SHOW CAUSE

Petitioner proceeds pro se and *in forma pauperis* in this 28 U.S.C. § 2254 habeas corpus
case. On April 27, 2020, the Court issued an Order granting respondent’s motion for a more
complete statement. (Dkt. 15.) The Court agreed with respondent that the amended petition did not
properly identify specific grounds for relief, allowing for fair notice to respondent of the claims
addressed in an answer. The Court directed petitioner to submit a second amended petition,
containing a concise statement of all grounds for relief, and to file and serve the second amended
petition on or before May 26, 2020.

To date, the Court has not received the second amended petition or any other response to court's Order. Accordingly, petitioner is hereby ORDERED to show cause why this matter

1 should not be dismissed without prejudice for failure to prosecute.¹ A response to this Order must
2 be received by the Court on or before **July 17, 2020** and must be accompanied by a second
3 amended petition. That petition must, as stated above, sufficiently identify specific grounds for
4 relief.

5 Should petitioner fail to show cause and submit the second amended petition, or should he
6 fail to respond to this Order, the Court will enter a Report and Recommendation that the petition
7 be dismissed without prejudice. The Clerk is directed to send a copy of this Order and the Court's
8 standard § 2254 forms to petitioner, and is further directed to send copies of this order to counsel
9 for respondent and to the Honorable Thomas S. Zilly.
